Very truly yours,

Lawyer's name,

Paralegal

MP3.com, Inc.

What are you going to do with this new info Scientology leaders? Will you put my picture on bigotwatch.com, follow me with private investigators, harrass me, try to mess up my finances, lie about me to neighbors, picket my house? Will you try to frame me like [redacted] [redacted] Will you trump up charges and try to railroad me in court like [redacted] Will you physically attack me like [redacted] [redacted] Will you try to frame me for drugs like [redacted]

Guess what? I have pointed out how you operate in song after song - and when you attempt to molest me for free expression - the whole world will see how you act. You will be confirming my lyrics as accurate. I will not be quietly bullied. No matter how dirty you fight - I will not act violently or irresponsibly. I will drag you into the light and expose your methodology with truth and humor. You can hurt me or worse - but not silently. I will continue to protest against you with the humor you so desperately despise. You will continue to be the potential subject of

b6
b7c

parody and satire - just like everyone else in a big, nasty organisation is in America. You are public figures. You should be used to it by now.

I also know that you are the only people who have this info, and if it is posted anonymously - EVERYONE will know it was you. Also, if I am harrassed - you will see bad publicity that will make the Time magazine article look like a puff piece. I will catch your spies in the act, and expose their links to you, then make songs about each encounter. The media will be involved every step of the way. This is freedom of speech. Lots of people care.

You have never met the likes of me before. I am everything you say does not exist. I am a critic of Scientology with no hidden crimes. You can dig all you want - you'll have to plant crimes to find them. I am a nurturing friend and family member who loves life, and smiles most of the time. I am solo - not part of any group of critics. I am not paid, except in SLACK, which you find valueless though you try to steal it from others.

You would do well to stay within legal means when dealing with me. Any dirty tricks and Fair Gaming that goes on will be meticulously documented and reported to the authorities by myself and those around me. The moment you commit a crime against me - you are admitting that you are powerless in a fair society, and must subvert the laws we live under in the US. Read below. Is this what you have in mind for me?

18 October 1967

"Enemy-SP order. Fair Game. May be deprived of property or injured by any means by any Scientologist without any discipline of the Scientologist. May be tricked, sued or lied to or destroyed."

L. Ron Hubbard

Sincerely

b6

* - Absolutely no way that I sent pix to C.O.S.

- also don't think [Redacted] sent them & thinks that a third party took the images from the MaryHemp posting and then sent them to C.O.S.

b6

- no idea why zip file was used for icons w/it

- no direct response to timing issues + C.O.S. postings

* - "Somebody who wanted to mess w/ C.P.S. could have gotten the pix from AOL and then wanted to send mess. to C.P.S. until the second [redacted] was posted [redacted] then sent mess to C.P.S."

- images taken originally from [redacted] website which was since closed (no idea on title) pix not work w/ malicious intent

- "suspect that pix ended up at 'wood site' if they had no business being there"

→ missed out [redacted] for doing it.

theory → zip file used to transmit to subject check by virus scans

- had a revelation of WTC site that
straightened out his life + perspective

- really thinks that a 3rd party sent

- no beef w/ C.O.S.
